HARDBACK CASES

Pelican's Hardback cases have been specifically designed for your smaller but sensitive and valuable equipment. The Hardback style cases are used commonly for Laptops, Tablets, and Pistols. Each of these cases is watertight, crushproof, and dust-proof. They each utilize a watertight gasket and automatic purge valve to balance air pressure and keep water and dust out. Pistol cases include lockable hasps to keep your valuables safe. Each case is customizable with Pick N Pluck foam.

STRATODYNE FEATURED PRODUCT

INTRODUCING THE PELICAN™ AIR LINE OF CASES

THE LIGHTEST PREMIUM PROTECTOR™ CASE ON THE PLANET

At up to 40% lighter than other polymer cases, Pelican™ Air cases lighten the loads of the dedicated pros across the world and redefines the future of protection with a remarkable union of light and tough. With the kind of innovation you'd expect from the pioneer of polymer cases, Pelican™ Air is as strong as the pros who use them.

THE SCIENCE BEHIND STRENGTH & LIGHTNESS

The Pelican™ Air case was designed to cut weight without compromising durability. Our engineers have revolutionized the protector case by reducing structural waste while preserving Pelican's legendary standards of strength, adding lightness in every detail.

HOW WE ACHIEVED STRENGTH & LIGHTNESS

- Molded from the next generation of Pelican's lightweight HPX™ resin, a proprietary formula that rebounds without breaking
- Honeycomb structural elements that are actually stronger than solid polymer material
- Super-stiff "full box" sections engineered to create hollow parts

PELICAN™ AIR CASE FEATURES

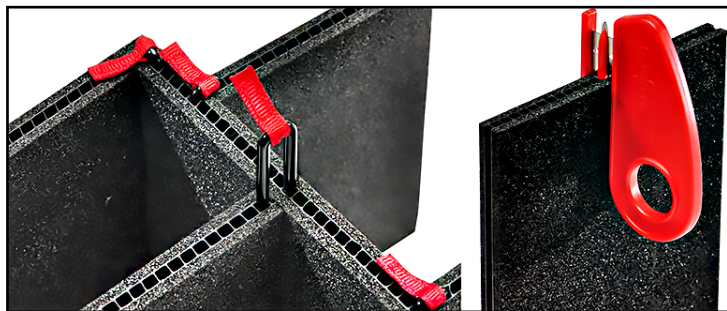

- Super-Light Proprietary HPX² Polymer
- Proven Tough Double-Throw Latches
- Automatic Purge Valve Balances Air Pressure
- Watertight O-Ring Gasket
- New Style "Conic Curve" Lid Shape
- Crushproof and Dustproof
- Stainless Steel Hasp Protectors
- Rubber Overmolded Handles
- New Removable Polycarbonate Card Holder With Front or Side Placement

LIGHTER AND BRIGHTER

Now you can color code your equipment or freshen up your look. The Air cases are available in 4 colors: Yellow, Orange, Silver and Black. (1615 available in BLACK only.)

PREMIUM PROTECTION: PELICAN + TREKPAK™

The TrekPak™ system uses pre-installed wall sections, divider panels, locking pins and a fool-proof cutting tool. Just lay your gear in the case, measure and cut the divider sections and lock them in place with the steel U-pins. We include extra divider material so you can change your mind, plus divider panels are also available separately so you can reconfigure your dividers at any time. Available for black cases only.
