## HEMOSTATIC PRODUCTS

CELOX™ Z-Fold Gauze

CELOX™ - A

QuikClot® Emergency Dressing™

QuikClot® ACS+™ and 1st Response

Stratodyne currently carries several products that offer new and revolutionary new Hemostatic agents that quickly control moderate to severe bleeding in patients. All products are simple and safe to use, but most importantly, can be used instantly and without hesitation as a fast, simple and safe emergency treatment for serious bleeding. Common uses for these products include: gunshot wounds, suck/open chest wounds, knife lacerations, knife or weapon puncture, extensive arterial bleeding, massive abrasions, and general traumatic bleeding.

## ADHERING & NON-ADHERING DRESSINGS

The **Telfa Dressing** is an absorbent cotton pad integrated with the unique Telfa "ouchless" dressing that won't disrupt healing tissue by sticking to the wound. Our **Sterile Non-Adherent Pads** are highly absorbent pads for effective protection of cuts, scrapes, and burns. They also provide cushioning protection while letting in air simultaneously for healing. The **Adaptic Non-Adherent Dressing** is a primary dressing made of knitted cellulose acetate and impregnated with a specially formulated petroleum emulsion designed to protect the wound.

## TOPPERS / GAUZE SPONGES

Dynarex Gauze Sponges

Curity Cover Sponges

Dukal Top Sponges

We are currently featuring 3 different Gauze Sponges. **Dynarex Gauze Sponges**, which are surgical dressings that combine superior quality with assured economy using U.S.P. Type VII gauze. **Curity Cover Sponges**, which are non-woven facing cover sponges that provide excellent absorbency for managing all types of trauma wounds in the field. And lastly, **Dukal Top Sponges**, which are non-woven facing cover sponges that are a Rayon/Polyester blend sponge with a combination of fluff and cellulose fill, to provide a highly absorbent cover sponge.

Versalon Sponges

Dukal New Sponge

## ADDITIONAL SPONGES

Stratodyne also features several additional sponges as well as gauze trays or "Boats". These products are ideal for wound cleaning and sterile dressing. The rigid packaging allows for aseptic handling and dispensing. We offer a variety of sizes as well as thicknesses. We also carry unique Rayon and Polyester non-woven fabrics sponges that are known to provide better strength, absorbency and scrubbing texture that traditional gauze sponges.

## ABDOMINAL PADS

Our abdominal pad offering includes products that provide protection and padding for major trauma wounds, while maximizing absorbency, wicking, and dispersal of wound exudate. This also includes products that are sterile and excellent all-purpose bandage and wound cleaning items. They are flexible, breathable, and have sealed edges to prevent leakage.

## I.V. DRESSINGS

Stratodyne currently carries several different types of products within the category of I.V. Dressings. These products provide durable waterproof foam to ensures superior catheter stability. Transparent polyurethane membranes allow instant site inspection. Breathable membranes also allow for moisture vapor release and oxygen permeation. We also feature the **Site-Loc Transparent Dressing** which has a notched design to provide a better seal around the catheter. The breathable film allows moisture vapor and oxygen exchange. The waterproof dressing provides a breathable, bacterial and viral barrier to outside contaminants and allows the wearer to shower. The dressing is transparent, enabling the IV to be monitored without the need to remove the dressing. A unique, non-adhesive handle to allow for hassle-free application.

## SPECIALIZED DRESSINGS & TRAUMA BANDAGES

Stratodyne's huge offering of Specialized Dressings & Trauma Bandages includes a variety of chest seals with one way valving to let air out but not in. Trauma Bandages are available in various sizes, including an over sized selection for larger sized wounds. We also carry a last assortment of Multi-Trauma, Petroleum Based, Wet, Elastic, and Triangular bandages depending on your specific needs. We also carry the patented Israeli Bandage; which consolidates multiple first aid devices such as a primary dressing, pressure applicator, secondary dressing, and a foolproof closure apparatus to secure the bandage in place.

## ADDITIONAL ADHESIVE BANDAGE PRODUCTS (VISIT [STRATODYNEINC.COM](http://STRATODYNEINC.COM) FOR A FULL LIST OF SIZES & PRICING)

**Band-Aid®**

Johnson and Johnson Band-Aid bandages offer long lasting adhesion for continuous protection. J&J Band-Aids are non-adherent, have an absorbent pad for effective wound care, and rounded corners to help prevent roll up. Flexible fabric style offers an increased freedom of movement.

**Care Band Adhesive Strips**

Care Band flexible fabric bandages are latex free. These adhesive strips are comfortable and perfect for scraps, cuts, etc.

**Dynarex Adhesive Strips**

A sterile, ready to use protective dressing for minor cuts and abrasions. Manufactured of strong, sheer, ventilated plastic, coated with a long lasting adhesive. Non-stick pad for comfort and fluid absorption.

**The Band-Aid Brand Antibiotic Bandages**

The Band-Aid Brand Antibiotic Bandages have the antibiotic ointment right on the pad. The bandage has a no-mess application and it helps prevent infection.

## ADHESIVE TAPES

Stratodyne stocks a large inventory of adhesive tapes. Our adhesive tape product line includes transparent, paper, cloth, silk, porous, athletic, elastic and waterproof tapes. With a variety of manufacturers, construction, and sizes to choose from, we are certain to carry the tape that you need. Our tape products provide high tensile strength with aggressive adhesion.

## HOT & COLD PACKS

### HOT & COLD REUSBLE GEL

Non-invasive & can help provide relief for a variety of conditions. Microwave of heat, freeze for cold. Remains flexible, is also reusable and latex-free.

Reusable Compress (8"x11") 6.19 EA

### ECONOMY COLD PACKS

This general use economy cold pack provides a good quality ice compress to applied area. Cold packs measure 6" x 8" and are packaged 24 per case.

Economy Cold Packs 20.25 (24/CS)

### KWIK-KOLD™ INSTANT

Disposable Kwik-Kold Ice Packs provide instant first aid treatment. Once activated, they maintain a 33°F temperature for a 30 minute duration.

6.25"x8" Cold Packs 22.79 (16/CS)  
4"x5.75" Cold Packs 1.79 EA / 86.80 (50)  
5.5"x6" Cold Packs 19.75 (19.75/CS)

### JACK FROST™ UNIT SIZE

Perfect size cold pack for storage in a trauma bag, jacket pocket, pediatric kit, etc. Cold packs measure 4" x 5" and are individually boxed.

Unit Size Packs 1.69 EA / 81.95 (50/CS)

### INSTANT ICE W/ UREA

Veridian Instant Ice Pack With Urea is the ideal solution first aid solution. Provides immediate relief for pain and swelling and fever relief.

Ice Pack w/ Urea (6"x9") 18.85 (24/CS)

### INSTANT COLD PACKS

Single-use Curaplex Cold Packs offer instant localized therapy.

Instant Cold Packs (6"x7") 17.75 (24/BX)  
Instant Cold Packs (6"x7") 70.95 (48X/CS)

### RAPID COLD™ COMPRESS

Rapid Cold™ Cold Compress features a convenient slide off clip, instant cold activation, instant cold below 32°, and is large enough to wrap around limbs.

Rapid Cold (5.5"x10.5") 34.99 (24/CS)

### TETRA INSTA-COLD PACKS

Tetra INSTA-COLD Packs feature a new frangible seal for quick & easy activation. Non-caustic and non toxic. No prep. or special storage needed.

INSTA-COLD (5"x10") 23.59 (16/CS)  
INSTA-COLD (4.5"x7") 32.25 (24/CS)

### INSTAKOOL® DISPOSABLE

The 1st Ammonium Nitrate FREE, Urea based formula to rival temp. ranges of previous formulas. InstaKool™ is Haz-Mat Free & provides instant relief.

Regular (6"x8") 18.95 (16/CS)  
Junior (5"x7") 16.95 (16/CS)  
Kit Size (4"x6") 50.95 (80/CS)

### REUSABLE COLD PACK

Remains flexible and comfortable when cold with up to 30 minutes of healing cold therapy. Simply place in the freezer for reuse of this pack.

Reusable Pack (11"x14") 15.52 EA  
Reusable Pack (11"x21") 28.20 EA

### INSTANT HOT PACKS

Single use Curaplex Hot Packs offer instant localized heat therapy. These packs come 5.5"x4.5" in size and 24 per case.

Instant Hot Packs 17.35 BX  
Instant Hot Packs 69.40 (4/BX/CS)

### ECONOMY HOT PACKS

This general use economy hot pack provides a good quality hot compress to applied area. Hot packs measure 6" x 8" and are packaged 24 per case.

Economy Hot Packs 22.69 (24/CS)

### RAPID HEAT COMPRESS

Unique design for easy & instant activation. Instant Heat exceeds 130°. Long lasting, maintains temperature, & large enough to wrap around limb. Size is 5.5"x10.5".

Rapid Heat Compress 36.75 (24/CS)

### KWIK-HEAT™ INSTANT

Disposable Kwik-Heat Hot Packs provide effective warming therapy. Once activated, they maintain a 110°F temp. for a 30 minute duration. Each pad measures 6" x 9".

Kwik-Heat™ Instant Hot 49.89 (24/CS)

### JACK FROST™ PREMIUM

Jack Frost brand hot packs feature a double bag design with 1 side insulated to keep application hand from becoming warm. Hot packs measure 5" x 8".

Premium Hot Packs 49.89 (24/CS)

### RAPID RELIEF HOT PACK

Easy fold in half instant activation. Temporarily relieves minor pain & swelling for sprains, aches, & sore joints. Store in a cool, dry place. Packs measure 5"x9".

Rapid Relief 2.15 EA  
Rapid Relief 50.76 (48/BX)

## BURN CARE & TRIAGE EQUIPMENT & SUPPLIES

**WATER-JEL®**

Just apply the dressing to the burned area and Water Jel cools and protects while easing the pain. Water Jel fire blankets can also be used to extinguish small fires, put out flames on a victim and shield rescuers from heat and flames.

**PLEASE CONTACT A STRATODYNE REPRESENTATIVE FOR OUR FULL LINE OF WATER-JEL® PRODUCTS**

**CRITICAL BURN KIT**

Water-Jel offers a superior pre-moistened burn dressing that provides fast pain relief, helps stop the burning process, helps reduce burn progression and protects against contamination. They conform to most burn protocols for cooling burns less than 25% TBSA, and they don't require saline or rewetting so they are cost effective.

Critical Burn Kit 82.50 EA / 480.15 (6/CS)  
(2)4"x4", (1) 12"x16" Face, & (2)8"x20" Hand, Burn Dressings

**COOL BLAZE HYDRO-GEL**

Revolutionary new odorless, clear, thick viscosity formula for burn relief and continual assessment of the wound. Uses Aloe Vera

4"x 4" Burn Dressing	3.99 EA
8"x 8" Burn Dressing	6.99 EA
12"x 16" Burn Dressing	17.79 EA
4 Ounce Pain Relieving Gel	5.69 EA
Individual Pain Relieving Packets	11.39 (25/BX)
Cool Blaze All Purpose Burn Kit	48.35 EA

### ALLIED/LSP BURN KITS

Use for the treatment of thermal, friction, electrical and chemical burns. Mini Kit includes: 8 Sterile Towels, 3 Gauze Rolls, 2 Rolls of Tape and Carrying Case. The Maxi Kit includes 6 Burn Towels, 4 Gauze Rolls, 2 Sterile Burn Sheets, 1 Pair of Scissors and Carrying Case (Pictured).

Trauma/Burn Mini Kit	173.15 EA
Trauma/Burn Maxi Kit	292.25 EA
Replacement 20" x 30" Towel	11.65 EA
Replacement 15" x 20" Towel	8.39 EA
Replacement 12" x 12" Towel	5.99 EA
Replacement Face Dressing	8.89 EA

### EMP BURN KIT

Use for the treatment of thermal, friction, electrical, and chemical burns. Kit includes: (2) 60"x 90 burn sterile sheets, 20"x 30" burn towel, 15"x 20" burn towel, 12"x 12" burn towel, face mask dressing, (4) sterile gauze bandages, (2) 1" tape rolls, (2) 1000 cc sterile water bottles (Prescription Drug Authorization required), latex glove pair, Fluidshield face mask w/ visor, and a rugged Cordura carrying case.

Burn Care Kit (PDA Required)	87.95 EA
Burn Care Kit w/out Sterile Water	78.95 EA

### STERILE BURN SHEET (CURAPLEX)

Curaplex Burn Sheets are constructed of non-woven, spun-bound polypropylene and creates a sterile environment that protects the patient from infection. In addition to being able to be used as a wet or dry dressing, at 60" x 90", the burn sheet can also be used folded or unfolded for use as an emergency burn or wound care dressing.

Sterile Burn Sheet	4.30 EA / 213.50 (50/CS)
--------------------	--------------------------

### STERILE BURN SHEET (ROEHAMPTON)

This sterile, nonwoven burn sheet is made of laminated tissue fiber that provides a sterile environment to protect the patient from infection. Sheet construction resists tearing and is comfortable to patient contours. Sheet can be used as a wet or dry dressing. Sheet measures 60" x 96" to provide full body coverage.

Sterile Burn Sheet	8.39 EA / 195.30 (24/CS)
--------------------	--------------------------

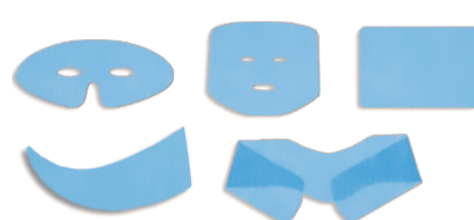

### CURITY BURN DRESSING

A convenient sterile burn dressing packaged in Kendall's exclusive Soft-Pouch™. Dressing measures 18"x18" and is constructed of 10 ply USP Type VII Gauze.

Curity Burn Dressing	2.89 EA / 196.25 (70/CS)
----------------------	--------------------------

### SPAND-GEL™

For management of radiation induced reactions, 1st, 2nd degree, as well as thermal burns, excoriation associated with dermatological procedures, laser resurfacing, postoperative incision granulation, Stage I-II dermal ulcers, and donor wound graft sites.

Spand-Gel 5" x 9" Sheet	6.89 EA / 196.35 (30/CS)
-------------------------	--------------------------
